Division of Aklan

Dear Sir:

We are pleased to inform you that **Osman Elementary School** is chosen as one of the 12 school-beneficiaries under the Adopt-A-School Program as potential recipients of W4W's clean water initiatives. On September 11, 2024, A Memorandum of Understanding (MOU) for the Adopt-A-School Program was signed by LANDBANK and DepEd.

W4W is a global humanitarian aid organization that implements clean water solutions in remote communities through potable filtration systems and rainwater harvesting technologies.

W4W is expected to conduct a needs assessment of the identified schools as part of the exploratory phase of the proposed partnership. In this regard, we would like to ask for the point person from Osman Elementary School to facilitate communication with W4W. The expected engagement is from July to August 2025.

For any concerns, you may contact us at 262-5245 of 268-4289.

Thank you for your usual support.

Very truly yours,

GERALD T. FUENTES
