SAGANG PILIPINAS

25 September 2025

DR. CRISTITO A. ECO, CESO III

Assistant Regional Director

Officer-in-Charge

Dear Dr. Eco:

Greetings!

The Department of Science and Technology – Science Education Institute (DOST-SEI) remains committed to advancing national development by empowering Filipino educators, particularly in the fields of science and mathematics. In line with this mission, we are pleased to inform your office of the upcoming 11th National Research Conference of the Capacity Building Program in Science and Mathematics Education (CBPSME), themed:

“Community Engagement and Partnerships in STEM Education: Enhancing Impact and Relevance.”

The conference is scheduled to take place on **October 15–18, 2025**, at the **University of the Philippines – Open University, in Los Baños, Laguna**. The event will bring together DOST-SEI CBPSME graduate scholars from various regions, including numerous educators from the Department of Education (DepEd), State Universities and Colleges (SUC), and private schools, to present and share their research outputs, interact with fellow scholars and experts, and strengthen collaboration across institutions.

In light of this, we kindly request your office to permit and grant an official business to travel for the identified teacher-scholar graduates to attend and participate in this important national event. Their presence will not only contribute to their own professional growth but also enhance teaching and learning in their respective schools. As part of their scholarship obligations, they are required to present their research in this DOST-sponsored conference. Their involvement will significantly benefit their professional development, your school, and, most importantly, your students.

The participants in the attached lists, as officially endorsed and authorized by the CBPSME Project Directors, to attend the 11th National Research Conference in Science and Mathematics Education

Expenses pertinent to their travel and conference attendance in the said conference shall be chargeable against the CBPSME Funds (2A1-105), subject to the government accounting and auditing rules and regulations.

Thank you for considering this request.

Very truly yours,

PETER ERNIE D. PARIS, Ph.D.

Project Director, DOST-SEI CBPSME

Vice President for Administration and Finance, WVSU
