UPCOMING WORKSHOPS OF THE AG-BEA TALENT AGENCY

The AG-BEA Talent Agency invites learners to participate in its upcoming workshops in acting, dancing, modeling, and voice, which will be held in various locations across the country. These workshops are designed to support teachers and parents in guiding learners toward developing discipline and building self-confidence.

The overall objectives of the workshops are as follows:

1. **Skill Development:** Develop basic skills in acting, dancing, modeling, and voice;
2. **Confidence Enhancement:** Build confidence and self-expression through performance-based activities; and
3. **Creativity and Teamwork:** Foster creativity, teamwork, and problem-solving skills.

Led by experienced coaches and industry professionals, the workshops are open to learners aged 7 to 18 years old, where they will be taught basic acting and voice, basic dancing, and basic modeling. The program also aims to discover and nurture hidden talents that may benefit learners academically, professionally, and in the performing arts. At the end of the workshop, participants will have the opportunity to showcase their skills through a final performance or scene study presentation.

Participation of public and private schools shall be purely voluntary and will not hamper instructional time in compliance with the provisions of DepEd Order (DO) No. 012, s. 2025 titled Multi-Year Implementing Guidelines on the School Calendar and Activities and DO 9, s. 2005, titled Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith and the policy on off-campus activities stated in DO 66, s. 2017.

This is also subject to the no-collection policy as stated in Section 3 of Republic Act No. 5546 also known as An Act Prohibiting the Sale of Tickets and/or the Collection of Contributions for Whatever Project or Purpose from Students and Teachers of Public and Private Schools, Colleges and Universities (Ganzon Law), issued in DO 19, s. 2008, and reiterated in DepEd Memorandum No. 041, s. 2024.
