**Subject: Partnership Proposal for Savings Mobilization and Financial Literacy Program**

Dear sir;

Warm greetings from **METRO ORMOC COMMUNITY MULTI PURPOSE COOPERATIVE (OCCCI)- Kalibo Branch!**

We are pleased to formally express our intent to partner with the Schools Division of Aklan in support of a joint initiative focused on **Savings Mobilization and Financial Literacy** for Students.

This program aims to equip students with practical financial skills and deeper understanding of cooperative principles. As part of the initiative, participating students will open savings accounts with our cooperative, allowing them to experience real-world financial management while fostering a culture of thrift and responsibility.

Through this partnership, we aim to:

- Serve as **Saving Agency** for Elementary and Secondary Students across the province.
- Promote **financial literacy and cooperative values** among youth.
- Encourage **habitual saving and responsible money management** from early age.

We propose the following activities to support this initiative:

- Establishment of **student savings accounts** managed in partnership with our cooperative.
- Conduct of **financial literacy seminars** for Students.
- Provision of **educational materials and support**.
- Recognition of **top savers and financially responsible students** to motivate participation.

We believe this collaboration will not only enhance the students entrepreneurial competencies but also strengthen community ties and promote inclusive economic participation. We are committed to providing the necessary support, resources, and guidance to ensure the success of this endeavor.

We look forward to working closely with your office in finalizing the details of this partnership and implementing the program in alignment with DepEd's goal for education.

Thank you for considering this proposal. We are excited about the possibilities this partnership holds and remain at your disposal for any further discussions or coordination.

Cooperatively yours,
