DIVISION MEMORANDUM

No. 716, s. 2025

COORDINATION ON KNOWLEDGE CHANNEL INTERVENTION

To: Assistant Schools Division Superintendent
Chief / Education Supervisors
Senior / Education Program Specialists
Public School District Supervisor OF Kalibo I and II
School Head of Kalibo Pilot Elementary School
All Others Concerned

1. In reference to the **1st Indorsement dated November 28, 2025** issued by the **Department of Education – Regional Office VI**, relative to the letter from the **Knowledge Channel Foundation, Inc.** regarding the coordination on **Knowledge Channel Intervention in Region VI**, this Office hereby directs the following:
2. The **District Offices of Kalibo I and Kalibo II** are instructed to **facilitate coordination** with **Kalibo Pilot Elementary School** for the possible implementation and/or participation in the **Knowledge Channel Intervention Program**, subject to existing DepEd policies and guidelines.
3. Specifically, the concerned School Head is advised to:
 - 3.1. Coordinate with the **Schools Division Office (SDO) Aklan** through the District Office regarding the proposed intervention;
 - 3.2. Identify possible areas of implementation aligned with teaching and learning priorities;
 - 3.3. Designate a **School Focal Person** for coordination purposes; and
 - 3.4. Submit feedback and recommendations to the District Office for consolidation and endorsement to the SDO.
4. The **District Supervisors of Kalibo I and Kalibo II** shall oversee the coordination and ensure proper reporting to the Schools Division Office.

5. Immediate dissemination of and compliance with this Memorandum is desired.

FELICIANO C. BUENAFE, JR., CESO VI

MR. CRISTITO A. ECO
Regional Director (OIC)
DepEd Region VI

Dear RD Eco,

Warm greetings from the Knowledge Channel Foundation, Inc. (KCFI)!

We, at KCFI, remain steadfast in our commitment to support the vision, mission, and programs of the Department of Education – from providing schools with technological learning tools to equipping teachers with innovative and practical training programs that enhance teaching and learning outcomes.

In 2023 and 2024, with the invaluable support of our generous sponsors, seven schools in the Western Visayas Region were provided with the Knowledge Channel Portable Media Library (KC-PML), an external hard drive containing more than 1,500 video lessons based on DepEd's Most Essential Learning Competencies (MELC). Teachers from the concerned schools were trained on the effective use of the device, along with insights into the latest trends in education.

In line with this initiative, we humbly seek your permission to reach out to the schools mentioned as we would like to learn more about how our intervention has helped improve their teaching and learning experiences. We are excited to share with you our upcoming activities designed to sustain and strengthen the impact of our partnership:

1. Survey for School Heads

A short yet comprehensive **online assessment** crafted to capture the schools' overall experience with the Knowledge Channel intervention. The results of this survey will help us evaluate the effectiveness of our initiatives and identify ways to further improve our support for our partner schools.

As part of this effort, **we will request a brief call** at the schools' most convenient time to discuss the survey in detail and address any questions they may have.

2. Re-Training for Teachers

A half-day online training session for teachers from the beneficiary schools, scheduled on **December 06 2025**, focused on the latest educational trends and innovations. The session will earn participants CPD points and is open to all teachers from the listed schools, including those who were not part of the 2023 training. The said training will give emphasis on **"Empowering Schools through Multimedia: Using Knowledge Channel Video Lessons and Platforms in Teaching and Learning"**.

In addition, we would like to request your permission to coordinate with the Schools Division Superintendents overseeing the beneficiary schools. Their involvement will help encourage participation and ensure the success of this initiative. A complete list of the schools and the corresponding DepEd Division officials is attached for your reference.

Our continuous efforts to help build a brighter future for Filipino learners through quality education would not be possible without your guidance and support. We are deeply grateful for your partnership and generosity.

Together, let us continue to work toward a better Philippines – where no child is left behind in education and in life.

Should your office have inquiries or require further clarification, kindly coordinate with Mr. Jeffrey S. Inocencio, School and Community Engagement Officer at 09178089635 or via email at jeffrey.inocencio@knowledgechannel.org.

Thank you very much, and we look forward to your favorable response.

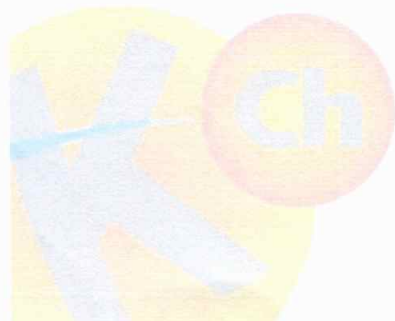

Sincerely,

Danie Sedilla-Cruz
Platforms and Partnerships Head

You don't often get email from jeffrey.inocencio@knowledgechannel.org. [Learn why this is important](#)

Dear RD Eco,

Warm greetings from the Knowledge Channel Foundation, Inc. (KCFI)!

I am Jeffrey S. Inocencio, School and Community Engagement Officer of KCFI. We are reaching out to your esteemed office regarding the intervention that the Knowledge Channel has provided to selected schools in Region VI.

We understand that the recent typhoons may have caused significant challenges in your area and may have affected the day-to-day operations of your schools. We sincerely hope that recovery and rehabilitation efforts are progressing well and that the schools receive the necessary support at the soonest possible time.

In this light, we wish to extend our support by focusing on other essential areas, particularly **capacity-building initiatives** for teachers on the use of the Knowledge Channel Teaching and Learning System as an alternative mode of delivery. We believe this will greatly benefit them, their schools, and ultimately, the learners they serve.

Attached is a letter signed by our Platforms and Partnerships Head, **Ms. Danie Sedilla-Cruz**, which provides further details on our request.

We look forward to your kind consideration and remain hopeful that this collaboration will continue to enrich the teaching and learning experiences of the teachers and learners in the identified schools.

Warm regards,

Jeffrey S. Inocencio

School and Community Engagement Officer
