***Greetings from Junior Achievement of the Philippines!***

The **Junior Achievement of the Philippines, Inc.** (JA Philippines) is a member of JA Worldwide®, a non-stock, non-profit global organization recently nominated for the 2024 Nobel Peace Prize. For 56 years, it has been dedicated to educating students and providing programs for the youth anchored on workforce readiness, entrepreneurship, and financial literacy through experiential, hands-on programs.

The **Cha-Ching program**, developed by **JA Philippines** in partnership with **Prudence Foundation** and **Pru Life UK**, aims to equip young students with the knowledge, tools, and practice they need to make informed financial decisions. It focuses on four key money management concepts: **Earn, Save, Spend**, and **Donate**—principles essential for fostering responsible financial behavior in children.

Aligned with our ongoing collaboration with the Department of Education, the Cha-Ching program continues to be implemented across the rest of Region VI. To support our teachers in delivering the program effectively, we are pleased to invite your division's teachers to attend the **Cha-Ching Online Teachers' Training** on:
