REGIONAL DIRECTOR
Department of Education

MA'AM/ SIR:

Greetings from the World Education Training & Development Services, and Pinagpala Publishing!

This is to inform you of the rescheduling of our upcoming PRC-accredited training program "**Leading the Future: 1st International Training on Innovative Approaches to Curriculum Pedagogy, School Management, and Instructional Leadership**" that will be held every Saturday in February 2026.

This event is organized by World Education Training and Development Services, a PRC-accredited CPD provider in the Philippines with Accreditation No. PTR-2022-385.

This is a comprehensive program designed to empower school leaders with cutting-edge strategies and practical tools to drive educational excellence. This training focuses on three critical pillars of effective school leadership: reimagining curriculum pedagogy to foster 21st-century skills, streamlining school management and operations for efficiency and sustainability, and enhancing instructional leadership to support teacher growth and improve student outcomes. Through interactive workshops, case studies, and expert-led discussions, participants will gain insights into global best practices and innovative approaches to transform their schools into future-ready learning environments.

Interested participants may visit <https://www.worldedph.com/events/leading-the-future> or our FB Page <https://www.facebook.com/worldeducationtrainingdevelopmentsservices> for registration details and other information.

May we also request an advisory or memo to inform all the regional and division offices about this program. I've attached the event poster, program matrix, and other information about the event.

Rest assured that classes and other school activities will not be affected by the conduct of this event since recorded lecture videos & outputs will only be submitted to us by the participants after their work hours.

Thank you very much for your usual support!

Sincerely,

BLESSEDY M. CERVANTES, EdD.
