Subject: Invitation to the 4th Training/Convention of Organization of
T.L.E. Educators of the Philippines (OTLEEP)

SIR:

Warm greetings from the OTLEEP!

On behalf of the organizers of the 4th National Convention and Training of Organization of Technology and Livelihood Education Educators of the Philippines (OTLEEP), I am pleased to invite your teachers and supervisors to attend our upcoming event with the theme "Building Resilient Learners: Strengthening Skills for Sustainable Livelihoods Through Technology Education." The event will be held from February 27-March 1, 2026 at the City State Hotel, Manila

This convention and trainings aims to bring together educators, industry experts and stakeholders in the field of Technology Education to discuss innovative teaching strategies, the integration of emerging technologies in the classroom, and the development of skills that empower learners for sustainable livelihoods.

We recognize the crucial role that your teacher and supervisors play in shaping the future of education in our country, and we believe that their participation in the convention and training will greatly benefit them, as well as the communities they serve. Through interactive workshops, seminars and networking opportunities we aim to provide your educators with the latest insights, teaching tools and practical skills to effectively equip their students with the necessary competencies in technology and innovation.

We respectfully request your support in encouraging and nominating teachers and supervisors from your region to attend the event. The convention/training will offer valuable professional development opportunities that will enable them to stay updated with the evolving trends in education, particularly in technology.

For your convenience, please find attached the official program or if you have any specific inquiries, please feel free to contact us at 09369504453 or email at otleep.org.ph@gmail.com

We hope to welcome your educators and supervisors at this significant event and we are confident that their participation will greatly contribute to the success of the convention and training and the advancement of the technology across the country.

Thank you for your time and support. We look forward for your positive response and the active participation of your region's educators in this existing and timely event.

Sincerely yours,

Florivic A. Javier
