REPUBLIC OF THE PHILIPPINES  
PROVINCIAL HEALTH OFFICE  
KALIBO, AKLAN

February 6, 2026

**DR. FELICIANO C. BUENAFE, CESO VI**

School Division Superintendent  
Department of Education  
Division of Aklan

Dear Dr. Buenafe:

As part of the Province of Aklan's continuing efforts to promote the oral and visual health of children, the Provincial Health Office will conduct "Oplan Smile and Sight: Bright Smiles, Clear Eyes for Every Aklanon Child", a school-based dental and vision screening activity.

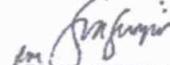

The program aims to ensure that Aklanon children receive dental examination and early vision screening. About 200 students, including daycare pupils, kindergarteners, and Grade 1 learners, are expected to participate in the official launching on February 19, 2026, at 9:00 AM at Monlaque Elementary School.

In this connection, we respectfully request the augmentation of at least ten (10) Department of Education nurses to assist the Provincial Health Office team during the launching activity, particularly in the conduct of vision screening. Their support will help ensure the smooth and timely screening of the expected beneficiaries.

Your favorable consideration of this request will greatly contribute to the successful implementation of the launching activity and to our shared commitment to protecting the health and learning readiness of Aklanon children.

Thank you very much for your continued support and cooperation.

Yours in public health,

  
**LESLIE ANN L. SEDILLO, MD, MPP**  
Provincial Health Officer II
