Message

Congratulations to our completers and graduates of **Batch 2026!**

Today is a meaningful and memorable occasion as we celebrate not only your achievements, but also the hard work, perseverance, and determination that brought you to this important milestone. Your parents, teachers, and loved ones proudly share in this moment of triumph, having witnessed how you overcame challenges and remained steadfast in your journey.

As we reflect on this year's theme, Filipino Graduates: Prepared to Lead with Competence and Character, we are reminded that education is not only about academic success, but also about developing the knowledge, skills, values, and integrity needed to become responsible leaders and active contributors to society. This theme calls on each one of you to move forward with excellence, compassion, and a deep sense of purpose as you help shape a better future for our nation.

As you step into the next phase of your educational journey, always remember that true success is not measured solely by medals, honors, or grades, but by your ability to rise above difficulties, stay grounded in your values, and use your talents to make a positive difference in the lives of others. May you continue to pursue your dreams with courage, resilience, and humility, guided by the lessons and values instilled in you by your teachers, parents, and mentors.

To our dear parents, teachers, school leaders, and stakeholders, thank you for your unwavering support, sacrifices, and dedication in nurturing the minds and hearts of our learners. Your commitment has been instrumental in helping them reach this significant milestone.

To our beloved completers and graduates, face the future with confidence and hope. Continue to embody competence and character in all that you do. As you move forward, may you always remain inspired to use your education as a force for good—not only for yourselves, but for your families, communities, and the entire nation.

Once again, congratulations, Batch 2026! Keep soaring high, and may you always be prepared to lead with competence and character.
