SUBJECT : **SUBMISSION OF THE ELECTRONIC SCHOOL FORM 7 (eSF7)  
 DATA FOR SCHOOL YEAR 2025 - 2026**

DATE : 20 April 2026

Relative to the issuance of **DM-OUHROD-2025-1615** titled “*Accomplishment of the Electronic School Form 7 (eSF7) for School Year 2025–2026,*” this Office respectfully requests all public schools to submit their eSF7 data for School Year (SY) 2025–2026.

In line with the Department of Education’s continuing efforts to streamline school processes, enhance operational efficiency, and strengthen data collection and analysis systems, the **submission of eSF7 data for SY 2025–2026 shall be conducted through InsightED ([bit.ly/InsightED](https://bit.ly/InsightED)) from April 27 to May 22, 2026.** This initiative is intended to ensure faster, more reliable, and more efficient school-level data submission and consolidation.

Accordingly, the general process flow for eSF7 submission has been revised. This updated process also reinforces accountability across all governance levels to ensure the accuracy, completeness, and timeliness of submitted data. In addition, to facilitate a smooth user experience and manage server load, **school submissions through InsightED shall be scheduled by region (see Annex B).**

In view of this undertaking, all concerned stakeholders are hereby directed to observe the following guidelines to ensure smooth implementation and uphold data integrity:

- **All Public Schools: School Heads** shall ensure the accuracy and completeness of data reflected in the eSF7 for SY 2025–2026. The accomplished and verified eSF7 shall be submitted through InsightED.
- **Schools Division Offices (SDOs): Division Planning Officers** shall be responsible for the review and monitoring of the submission of eSF7 data of public schools for SY 2025–2026.
- **Regional Offices (ROs): Regional Planning Officers** shall oversee full compliance in the submission of eSF7 data for SY 2025–2026.

Further, to ensure a clear understanding of these updates and to provide guidance on the submission of eSF7 data through InsightED, an **Online Orientation** will be conducted on **24 April 2026 via Microsoft Teams (bit.ly/eSF7-Orientation2026)**, with the participation of the Regional and Division Planning Officers. Information Technology Officers (ITO) from the ROs and SDOs are likewise encouraged to attend to gain orientation on the technical aspects of the process.

Kindly refer to **Annex A** for the updated process flow and adjusted data collection timeline, **Annex B** for the regional submission schedule, and **Annex C** for the list of participants, schedule, and indicative program flow of the online orientation. In addition, for detailed instructions on downloading InsightED and navigating the eSF7 Hub within the app, please visit **bit.ly/InsightED-eSF7Guide**.
