Sir:

Greetings of peace!

Respectfully, I am writing to humbly request **MEDICAL ASSISTANCE** for **Ms. IRENE J. DONASCO, Master Teacher I** of **Balete Integrated School**, who has been diagnosed with **ANAPLASTIC LARGE CELL LYMPHOMA, ALK-POSITIVE**, a serious form of cancer that requires continuous and specialized treatment. She is currently undergoing treatment at **St. Paul's Hospital of Iloilo, Inc., Cancer Center, Iloilo City**.

At present, she is scheduled to undergo 6 cycles of chemotherapy using the CHOP chemotherapy, to be administered every three 3 weeks. These treatments, along with necessary laboratory tests, medications, and other related medical procedures, have resulted in substantial and ongoing expenses, placing a heavy financial burden on her and her family.

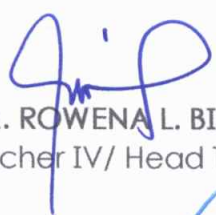

In this regard, we earnestly seek your kind consideration and support to help alleviate her medical expenses. Any assistance you may extend will be deeply appreciated and will greatly help her continue her treatment and recovery.

Thank you very much for your compassion and generosity.

Respectfully yours,

GUIA G. PANGANOMONG EdD
School Principal III
