The activities may be conducted either face-to-face or online, in coordination with school heads and guidance personnel, and are designed to complement existing school-based programs without disrupting regular instructional time.

Schools Division Superintendent (SDS)

Dear Ms. Cilette Co,

Good day! National University Philippines (NU) is deeply grateful for your continued support of our goals. As part of our commitment to nurturing the students with an #EducationThatWorks aligned with the Nationalian core values, we will be honored to present to the public schools our roster of degree programs and scholarship opportunities for AY 2027-2028.

To better serve the graduating students in public schools from different regions, we are requesting your formal endorsement to the DepEd Regional Directors and Schools Division Superintendents in our target areas. We aim to visit various Basic Education, Junior, and Senior High Schools to propose career guidance sessions for their students at their convenience.

Your endorsement will allow us to coordinate more efficiently and effectively with the school principals, guidance advocates, and/or JHS and SHS coordinators regarding our proposed articulation activities (career talks). Rest assured that we will adhere to the school's requirements and ensure that our initiatives do not disrupt student activities or class schedules.

To ensure a smooth visit, we intend to follow these three (3) simple steps for proper coordination:

1. **First**, we will start by visiting the school to drop off our Articulation Letter/Letter of Intent to the School Principal or Guidance Advocates.
2. **Second**, we will wait for the school's feedback regarding their preferred date and type of activity through our communication channels.
3. **Lastly**, we will conduct the career guidance activity (general assembly, talks, room-to-room, etc.) in compliance with the school's chosen activity type and requirements.

As we traverse the new normal, we may conduct the ONLINE or FACE-TO-FACE Admissions and Career Orientation on a platform amenable and best suited for their students at their most convenient time.

NU with its new campuses – NU Manila, Nazareth School, Laguna, MOA, Fairview, Baliwag, Dasmariñas, Lipa, Clark, East Ortigas, Bacolod, Cebu, Las Piñas, and Davao prides itself in offering competitive and internationally-known degree programs/career pathways with its first-class facilities and online readiness programs or FLEX (Flexible Learning Experience) that exhibit our passion to provide all learners the mastery to become professionals in their chosen field.

We look forward to a positive response. Sincerely, we are thankful for your continued assistance and support in our shared goals of supporting student growth.

Should you have any clarifications and other concerns, you can contact us at 0917-547-1701 (Viber).

Respectfully,
