Subject: Formal Request to Conduct Product Demonstration for IonSpec Medicinal Eyewear

Dear Sir Buenafe,

Warm greetings.

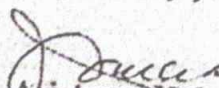

I am writing to formally request permission from your office to conduct an orientation and product demonstration regarding **IonSpec Medicinal Eyewear** across schools under the Division of Aklan.

IonSpec Medicinal Eyewear is an innovative product designed to help improve and protect eye health against eyestrain, radiation exposure from digital screens, and other common vision problems. With the continuous integration of technology in teaching and learning, our goal is to raise awareness on proper eye care and provide a safe solution for our teachers, staff, and students.

If deemed appropriate, we humbly request your endorsement through a *Division Advisory* or permission letter so that we may coordinate with school heads across the province to schedule brief demonstrations at times that will not disrupt regular classes. We are fully prepared to comply with all Department of Education guidelines and protocols regarding activities of this nature.

Thank you very much for your time, consideration, and continued support for the health and well-being of our school community in Aklan.

Respectfully yours,

Aristarco Hebrado Jr.
