RE: INVITATION TO THE 4Ps CONSULTATION MEETING WITH THE SCHOOL HEADS - BATAN DISTRICT

Dear Superintendent Buenafe:

Greetings of peace and continued commitment to the implementation of the Pantawid Pamilyang Pilipino Program (4Ps).

The **Aklan Provincial Operations Office** of the Department of Social Welfare and Development (DSWD), highly values its continuing partnership with the **Department of Education (DepEd)** in ensuring the effective implementation of the 4Ps, particularly in monitoring the educational compliance of Pantawid Pamilyang Pilipino Program beneficiaries and addressing concerns affecting children's school attendance and participation.

As part of our continuing collaboration and consultation with key partners at the **municipal / local level**, the **4Ps Batan Municipal Operations Office** will conduct a **Consultation Meeting with Key Partners** on **01 October 2026** at **Batan Integrated College of Technology**.

The activity aims to provide an opportunity to discuss relevant updates in the implementation of the 4Ps, share operational concerns and experiences in compliance monitoring, and strengthen coordination between the 4Ps and DepEd in addressing concerns related to the educational compliance and participation of Pantawid beneficiaries.

A particular focus of the consultation will be the **updated procedures for capturing and validating beneficiary compliance**, including the **presentation and utilization** of the **4Ps Compliance Booklet** as a tool for documenting monthly compliance, particularly for educational facilities where report cards or other school records reflecting the required school days attended may not be readily available.

The details of the Consultation Meeting are as follows:

Date : 01 October 2026
Time : 08:30 AM
Venue : Batan Integrated College of Technology, Poblacion, Batan, Aklan

In this regard, we respectfully request the participation of **all School Heads in the Batan District** or, **in their absence, they may send their representatives**. Their participation will be valuable in ensuring a common understanding of the updated compliance monitoring procedures, facilitating timely and accurate submission and validation of compliance information, and strengthening coordination in addressing school-related concerns involving Pantawid beneficiaries.

The consultation will also serve as a venue for the 4Ps Malinao MOO and DepEd school representatives to discuss concerns encountered in the actual implementation of compliance monitoring and to identify practical measures that may further improve coordination and the accuracy of compliance data.

This activity forms part of the **Aklan POO's continuing efforts to strengthen collaboration with DepEd and other key partners** in ensuring that the educational needs of Pantawid beneficiaries are appropriately addressed and that compliance monitoring is carried out effectively and consistently.

We look forward to your continued support and to the **active participation of the School Heads or their representatives in the Batan District** in this important consultation.

Should you have further clarifications regarding the activity, you may contact **Mr. Fritz P. Pahilagao, Provincial Compliance Verification Officer**, at **0939-912-6702**.

Thank you very much for your continued partnership and support.

Respectfully yours,

STEPHEN M. SUAJICO, JR
