DIVISION MEMORANDUM

No. 568, s. 2026

**VALIDATION AND INTERVENTION FOR 4PS CHILDREN
IDENTIFIED AS NOT ATTENDING SCHOOL (NAS) OR NOT-
COMPLIANT WITH THE EDUCATION CONDITION**

To: Assistant Schools Division Superintendent
Chief Education Supervisors
Education Program Supervisors
Public School District Supervisors (PSDS) / Principals In-Charge of the
District (PIDs) / Head Teacher In-Charge of the District (HTID)
Senior / Education Program Specialists
School Heads (SHs) of Public and Private Elementary, Secondary and
Integrated Schools
All Others Concerned

1. Attached is the endorsement of DepEd Region VI and the letter of DSWD Field Office VI dated August 24, 2026, concerning **Pantawid Pamilyang Pilipino Program (4Ps)** children identified as **Not Attending School (NAS)** in **SY 2026-2027** or non-compliant with the education condition in June 2026.
2. The DSWD summary for Aklan lists **332 NAS children** and **97 non-compliant children** across **128 registered school facilities**. These figures are for validation; they should not be treated as confirmed current school records.
3. All concerned are directed to undertake the following:
 - a. **District supervisors** — Immediately transmit this endorsement and the relevant portions of the attached school list to concerned

- schools and ALS implementers, including appropriate coordination with private schools and learning centers. Monitor completion of validation and interventions within the district.
- b. **School heads and ALS implementers** — Check each listed school entry against enrollment and attendance records; identify the concerned child through authorized, secure coordination with the assigned 4Ps City/Municipal Link or case manager. Verify present enrollment, actual attendance, last grade attended, and whether a transfer, duplicate record, incorrect school assignment, or other discrepancy explains the listing. Do not infer a child's identity from aggregate counts.
 - c. **Teachers and designated school personnel** — Contact the parent or guardian discreetly, establish the reason for nonattendance or missed attendance requirements, and document the date, findings, and agreed next steps. Where appropriate, arrange re-enrollment, return-to-school support, attendance monitoring, guidance, learning support, ALS referral, or referral to the proper child protection, health, or social welfare personnel. Coordinate case management with the local 4Ps Operations Office; do not handle sensitive protection cases through general distribution lists.
 - d. **School heads** — Send a concise status report through the district to the SGOD, identifying the school, aggregate number reviewed, number verified as enrolled and attending, number requiring intervention, referrals made, unresolved cases, and actions with target dates. Submit the initial report within ten working days from receipt of this endorsement, then update unresolved cases monthly until resolved. Send any identifiable case details only through an approved secure channel when specifically required for case management.
 - e. **SGOD and district supervisors** — Consolidate school reports, coordinate with DSWD and relevant local partners on discrepancies and interventions, and follow up on unresolved cases. Escalate urgent child protection concerns promptly under existing referral procedures.
4. Restrict the attached information and all case records to personnel with an official need to know. Do not post beneficiary names, case details, or identifying reports in public channels. The attached school list is a referral for verification, including entries for non-DepEd facilities; concerned district personnel shall coordinate with the proper administrators without assuming direct supervisory authority over those institutions.

5. Expenses incurred shall be charged against local funds, such as School MOOE or Special Education Fund (SEF), as may be applicable, and subject to the discretion of their respective School Heads, availability of funds, and the usual accounting and auditing procedures.
6. Immediate dissemination of and compliance with this Addendum are desired.
