SUBJECT : TRANSITIONAL GUIDELINES FOR THE REVISED SPECIAL
CURRICULAR PROGRAMS (SCP) CURRICULUM GUIDES
(SY 2026-2027)

DATE : July 21, 2026

1. To explicitly align with the Revised K to 10 and Strengthened Senior High School (SHS) Curricula and with the Three-Term School Calendar, the Learning Systems (LS) Strand, through the Bureau of Curriculum Development - Special Curricular Programs Division (BCD-SCPD), announces the **transitional implementation** of the Revised Curriculum Guides (CGs) for Special Curricular Programs (SCPs) **beginning School Year (SY) 2026-2027**. These updated guides cover the following programs:

- Special Program in the Arts (SPA),
- Special Program in Foreign Language (SPFL),
- Special Program in Journalism (SPJ),
- Special Program in Sports (SPS),
- Special Program in Science, Technology, Engineering, and Mathematics (SPSTEM), and
- Special Program in Technical Vocational Education (SPTVE).

2. Schools may, at their discretion, implement the revised SCP CGs beginning School Year (SY) 2026-2027, which shall serve as the transition year. Schools

that opt not to implement the Revised CGs for SY 2026-2027 may continue to use the existing CGs released in 2020; however, in such cases, implementers shall be required to prepare a budget of work aligned with the Three-Term School Calendar. By SY 2027-2028, all SCP-implementing schools must use the Revised CGs for the SCPs.

3. To formalize and standardize the implementation of Special Curricular Programs, schools may begin to implement the revised CGs for SPA, SPJ, SPS, and SPSTEM at the elementary level beginning School Year 2027-2028, subject to the approval of their application to offer the program.

The following grade-level coverage shall apply:

- SPS, SPA, and SPJ from Grades 4 to 6.
- SPSTEM – Enhanced Science from Grades 3 to 6.
- SPSTEM – Enhanced Math from Grades 4 to 6.

4. Consistent with Department Order (DO) No. 21, s. 2019, **DepEd Order No. 21, s. 2019, the SCP shall be taught as a separate subject and shall not replace Technology and Livelihood Education (TLE). Thus, TLE continues to be taught separately, with its delivery contextualized to the learner's SCP. However, for certain SCPs, TLE shall be specifically contextualized as follows:**

SCP	Contextualized TLE	Grade Level
SPA	Applied TLE	Grades 9 to 10
SPSTEM	Creative Technology	Grades 7 to 10
SPTVE	Applied Technical Drawing	Grades 7 to 8
	Applied Entrepreneurship	Grades 9 to 10

The CGs for the contextualized TLE shall follow the transitional implementation of the SCPs.

5. The SCP shall be offered twice a week at forty (40) minutes per session at the elementary level, and at a total of two hundred forty (240) minutes per week at the JHS level (DO 21, s. 2019). This time allotment shall remain in effect unless and until superseded by new guidelines.
6. The final revised SCP CGs and Contextualized TLE may be accessed through the official Department of Education (DepEd) website.
7. Sample class programs are provided in Annexes A to G of this document. These are presented for reference and guidance only and may be adapted by schools as necessary.
8. For inquiries or clarifications, concerned parties may contact Dr. Aileen M. Supnad, Chief, Bureau of Curriculum Development – Special Curricular Programs Division (BCD-SCPD), through email at bcd.od@deped.gov.ph.
9. Immediate dissemination of this memorandum is directed.
