MEMORANDUM
NO. 80 SERIES 2026

SEP 30 2026
4:38 pm

TO : **VICE CHAIRPERSONS AND MEMBERS, RDRRMC VI**
CHAIRPERSONS, P/C/M/BDRRMCs
OTHER RELEVANT STAKEHOLDERS

SUBJECT : **REITERATION OF REPORTING ON THE EFFECTS OF EL NIÑO**

In reference to NDRRMC Memorandum No. 276, s. 2026 dated 30 September 2026, entitled "Reiteration of Reporting on the Effects of El Niño," all concerned RDRRMC VI member-agencies and Local Government Units (LGUs) are hereby reminded to submit timely and updated reports on the effects and impacts of El Niño within their respective areas of responsibility.

The NDRRMC has noted that, despite previous directives on the matter, information monitored through various sources indicates that effects and impacts associated with El Niño are being experienced in several areas and are not yet fully reflected in the reports received.

In this regard, all concerned are requested to monitor their respective areas of responsibility and report all relevant effects, impacts, and developments associated with El Niño, including, but not limited to:

- Declared State of Calamity by LGUs;
- Effects and impacts on affected communities and sectors;
- Significant incidents and developments attributable to El Niño; and
- Other relevant information, interventions, and support measures undertaken in response to its effects.

All reports shall be consolidated and verified by concerned agencies/LGUs prior to submission to ensure the accuracy and completeness of information. The submission of updated reports shall support the regional monitoring, assessment, documentation, and identification of appropriate interventions and support measures in response to the effects of El Niño.

Accordingly, all concerned are enjoined to ensure continuous monitoring and timely submission of updates through the prescribed reporting mechanisms. Reports and updates shall be coursed through the RDRRMC VI/OCD VI at region6@ocd.gov.ph or ocdrc6@gmail.com for consolidation and appropriate submission to the NDRRMC.

For guidance and strict compliance.

MEMORANDUM
No. 276, s. 2026

30 September 2026

TO : **ALL CONCERNED NDRRMC MEMBER-AGENCIES**
ALL REGIONAL DRRM COUNCILS

SUBJECT : **Reiteration of Reporting on the Effects of El Niño**

Based on the latest press release from DOST-PAGASA, an intensifying or 'very strong' El Niño is expected into the first half of 2027 based on the climate models and expert evaluations. This will trigger warmer temperatures and below-normal rainfall across most of the Philippines, mainly dry spells and drought and the short-term heavy rainfall.

Prior to this issuance, a General Message Form (GMF NDRRMC-ReD-2026-07-001) dated 24 July 2026 was disseminated directing all concerned member agencies and RDRRMCs to submit reports related to the Effects of El Niño. However, information monitored through various sources indicates that effects and impacts associated with El Niño are being experienced in several areas, which are not yet reflected in the reports received.

Anent the above, all concerned member agencies and RDRRMCs are hereby directed to submit timely and updated reports on the effects and impacts of El Niño in their respective areas. The submission shall include, but shall not be limited to, reported declarations of a State of Calamity by LGUs, as well as other relevant effects, impacts, and developments associated with El Niño. Such information will facilitate the appropriate assessment and documentation of the situation and support the identification and institutionalization of necessary interventions and support measures.

Further, concerned NDRRMC Member-Agencies and RDRRMCs are required to monitor their respective AORs, consolidate and verify reports, and send updates to NDRRMOC thru the **NDRRMC Monitoring Dashboard** and email address: ndrrmoc@ocd.gov.ph.

For guidance and compliance.
