PHINMA EDUCATION
MAKING LIVES BETTER THROUGH EDUCATION

UNIVERSITY OF ILOILO
PHINMA EDUCATION

August 18, 2026

DR. FELICIANO C. BUENAFE JR., CESO V
Schools Division Superintendent
Office of the Schools Division Superintendent
Aklan Province

Dear Dr. Buenafe:

Warm greetings from **PHINMA University of Iloilo**!

We are grateful for the opportunity to continue our partnership with your office in supporting students as they pursue their educational and career aspirations.

As part of our continuing commitment to help learners make informed decisions about their future, PHINMA University of Iloilo will once again conduct the **Course Match Assessment for Grade 10 learners** and the **PHINMAEd EduProfile Index for Grade 12 learners** in our partner schools.

The **Course Match Assessment** is designed to help Grade 10 learners identify Senior High School tracks aligned with their interests, strengths, and inclinations.

Meanwhile, the **PHINMAEd EduProfile Index** is a free, on-site assessment that provides insights into the academic, financial, and personal challenges that Grade 12 learners may face as they prepare for college.

Participating schools will receive a **diagnostic report containing data-driven insights** that can support teachers and school leaders in providing more responsive guidance and interventions. The report covers:

- Academic Preparedness
- Socioeconomic and Financial Background
- Student Employment and Its Academic Impact
- Career and Course Preferences
- Demographic and Academic Burdens

Guided by these insights, PHINMA UI can extend support to qualified learners through:

- ***Hawak Kamay (HK) Scholarships*** covering *tuition and fees, with* ***no entrance exam and no maintaining grade requirement***;
- **Personalized student coaching** through our Kasama Support Hub; and
- **Trainings and workshops** that help develop students' purpose, confidence, and resilience.

In line with this, we respectfully seek your **permission to conduct the Course Match Assessment and PHINMAEd EduProfile Index in schools under your division.** Through these assessments, we hope to better understand the needs of learners and determine appropriate scholarship, coaching, and other support interventions as they transition to Senior High School and college.

For inquiries or concerns, please contact the undersigned at **0977-833-0057** or **reescopel.ui@phinmaed.com**.

Thank you very much for your continued partnership and support in advancing accessible, responsive, and quality education for the learners of Iloilo.

Respectfully yours,

RAYMART ESCOPEL
Marketing Supervisor
PHINMA University of Iloilo
