Sir:

Greetings of peace!

I am writing to respectfully request financial assistance for **Mrs. ERLYN E. FERNANDEZ**, Teacher III of Maloco National High School, who is currently undergoing treatment for Colon Cancer and facing significant financial difficulties brought about by her medical condition.

Mrs. Fernandez was diagnosed with an Ascending Colon Mass by Dr. Mark Augustine S. Onglao and was advised to undergo surgery. After being assessed and deemed physically fit for surgery by Dr. Kevin Francis U. Ang, she subsequently underwent open surgery at Chinese General Hospital.

Following her surgery and continuing medical treatment, Mrs. Fernandez is scheduled to undergo systemic chemotherapy beginning October 5, 2026, for at least six (6) cycles through December 2026. The continuing medical treatment and related expenses have placed a significant financial burden on her and her family.

As a member of our school community and a dedicated member of our teaching staff, we are reaching out to seek support for Mrs. Fernandez during this challenging period. In this regard, I humbly appeal for any financial assistance that you may be able to extend to her. Any amount would be sincerely appreciated and would greatly help defray her medical expenses and support her family throughout her treatment.

Attached herewith are copies of her Medical Certificate, Surgical Pathological Reports and Medical Abstract for your reference and consideration.

Thank you very much for your kindness, generosity, and compassion. Your assistance will be a meaningful source of support to Mrs. Fernandez and her family as she continues her treatment and recovery.

Respectfully yours,

VICTOR C. PAGAYUNAN
School Principal IV
