Dear Sir/Madam:

Greetings!

Central Philippine University cordially invites your institution to participate in the inter-school seminar entitled "***Safe Schools: Understanding, Preventing, Responding and Recovering from School Violence,***" to be held on **December 1, 2026**, from **8:00 AM to 5:00 PM** at the **Rose Memorial Auditorium**, Central Philippine University, Iloilo City.

Schools have a fundamental responsibility to provide a safe, secure, and nurturing environment conducive to learning, personal development, and the well-being of the entire school community. However, school violence in the forms of bullying, physical aggression like mauling, shooting and stabbing, psychological and emotional abuse, harassment, threats, and other forms of harmful behavior continues to pose significant challenges to educational institutions.

These incidents may compromise the physical and mental health of students and personnel, disrupt the learning environment, and undermine the sense of security essential to effective education. Addressing school violence requires a comprehensive, proactive, and collaborative approach that extends beyond disciplinary measures.

In this regard, the seminar aims to strengthen inter-school collaboration and promote a culture of safety, respect, accountability, and shared responsibility through evidence-informed prevention strategies, coordinated response mechanisms, and appropriate post-incident recovery measures. The **registration fee** is **₱1,000 per participant**, inclusive of meals and snacks. Interested institutions are encouraged to confirm their participation and complete registration on or before **November 20, 2026.**

We sincerely hope that your institution will join us in this important initiative. Through collective commitment and inter-school cooperation, we can strengthen our capacity to prevent violence, respond effectively to incidents, and support the recovery and well-being of those affected. We look forward to your institution's participation.
